Dear Parents and Carers,

KINDERGARTEN ORIENTATION

Kindergarten Orientation commences next Tuesday and I am looking forward to meeting our new 2021 students. If you have not already enrolled your child for Kindergarten next year, then I urge you to contact the school immediately to ensure they do not miss out on this most important transition program.

END OF YEAR ACTIVITIES

Information is being sent home soon about your child's end of year activity. With the relaxation of Covid-19 restrictions, each stage will be leaving school for a day of fun at a recreational venue. To ensure that every student has the opportunity to attend, there will be no cost to parents, with the school paying for every child.

Covid-19 Safety Plans have been received from every venue to ensure health and safety measures are in place to maintain the health and wellbeing of students and staff while participating in activities.

Please note that as part of the risk management plans being developed by the school:

- students who are unwell and displaying flu like symptoms will not be able to attend
- parents of students who develop flu like symptoms during the excursion will be contacted so arrangements can be made for their child to be collected from the venue.

PARTIAL ABSENCES

Partial absences reflect any time a child is absent from school for part of the school day. This means arriving at school after 8.55am or leaving before 3.00pm. It is a legal requirement for schools to record partial absences and they are included in student reports. Please consider carefully before coming to school to take your children early because of appointments, as any partial absence, regardless of the reason, is recorded and submitted to the Home School Liaison officer for monitoring.

2021 ENROLMENT NUMBERS

A reminder to all parents of the importance of the school having accurate enrolment numbers for the beginning of the 2021 school year. Having this information helps to ensure that classes are formed as quickly as possible when students return in January. If your child is in Kindergarten to Year 5 and will be leaving the school or returning after Friday 29 January, please inform the school by completing and returning the note that was recently sent home.

SUN SAFETY

It is a well established school policy that students without a hat need to stay under the shelters during recess and lunch. This policy applies all throughout the year. Students must bring a school hat with them each day they come to school so they can access all play areas. Could I ask that you also apply sunscreen daily to your child before sending them to school.

Have a great fortnight and remember, 'Creativity is contagious, pass it on.' Albert Einstein

UNIFORM SHOP

School uniforms can be purchased by contacting the school and placing orders over the phone and paying on the Smithfield West Public School website where you will also find a copy of the uniform price list. Face-to-face purchases will not be permitted.

When sending money with your child to purchase uniforms please have correct money as we only have a small amount of change available.

IMPORTANT

If you have **moved house or changed phone numbers** or the phone numbers for your emergency contacts have changed please update your records at the office. For a change of address you will need to provide proof of your residential address e.g. original copies of council rates notice, residential lease, electricity accounts or statutory declaration.

KINDERGARTEN ENROLMENTS 2021

It has come to that time of the year again where we are enrolling students for Kindergarten 2021. If you, a friend or neighbour have a child who is turning 5 before 1 August 2021 then they are eligible to begin school next year. Please fill out an enrolment form from the office.

The poster for the Kindergarten Transition Program at Smithfield West Public School features the school's name and crest at the top left. The crest is a shield with a book and a lamp, with the motto 'DEEMUS NOT MOROS' below it. To the right, the program title 'Kindergarten Transition Program' is displayed in large white text on a green background. Below the title, the dates 'Tuesday 24 November, Tuesday 1 December & Tuesday 8 December' and the time '9:30am - 10:45am' are listed. At the bottom, there are two photographs of children in school uniforms. The left photo shows four children standing together, and the right photo shows five children holding hands in a circle on a grassy area.
