Thursday 6 February

Dear Parents and Carers,

Welcome back to the new school year.

We have all returned to school refreshed and reinvigorated, ready for another great year of learning. A special welcome is extended to all new students and their families. As well as the 60 Kindergarten students who have just started, we have another nine new students in Years 1 – 6. Smithfield West is a wonderful place to work, learn and play and we encourage all new and existing families to become involved in the life of the school.

In staffing news, a warm welcome is extended to Miss Ou (Year 1), Miss Papdi (Year 2) and Mrs Chryss (School Administration Manager). A complete staff list is included with this note.

All the classes for 2020 have now been formed. We have proceeded slowly and monitored numbers daily. We currently have 322 students at the school and 15 classes have been established, the same as last year.

Please support us in discussions with your child about their class and teacher for this year. We have used our professional judgment and have spent a great amount of time trying to get the classes just right. Early anxieties about class placement usually disappear very quickly. I know you will respect our decisions and I thank you for your patience over the past week.

We look forward to another successful year.

**Stephen Gray**  
Principal
