Dear Parents/Carers,

### **FAIRFIELD NETWORK AWARDS**

Congratulations to Mrs Papadatos, Miss Daniele, and Mrs Lia for receiving an award at the Fairfield Network Awards in recognition of their outstanding work and contributions to our school. Their dedication, passion, and commitment have made a significant impact on our school community, and we are so proud to see their efforts celebrated. Well done!

### **CHARLES STREET DROP OFF AND PICK UP**

Over the past few days, I have been at the Charles Street gate during drop-off and pick-up times and have observed some concerning behaviour. I urge parents to exercise extra caution when driving on this street and to avoid making u-turns, as this poses a serious risk to our students' safety. The well-being of our community is my priority, and I want everyone to stay safe. I have informed the rangers of these concerns, and they will be monitoring the area closely. Thank you for your cooperation in keeping our students safe.

## **BEHAVIOUR FOR EXCELLENCE AWARDS**

The deadline for students to submit their awards for the Behaviour for Excellence program is Friday 6 December. If your child has accumulated enough awards to qualify for a Bronze, Silver, or Gold Certificate, please ensure they hand them in at the office promptly to avoid missing out on receiving their certificate.

## **END OF YEAR ACTIVITIES**

As the term quickly progresses, our teachers are dedicated to providing our students the best possible learning experiences. With end-of-year activities approaching, I kindly ask all parents to take note of the important dates mentioned in this and future communications. Additionally, please check your email and School Bytes for any notes or updates. We want to ensure that every child and parent is informed and doesn't miss out on any upcoming events or activities.

## **PUBLIC SPEAKING COMPETITION**

We are excited to announce the winners of the Public Speaking Finals for each stage. These students have demonstrated remarkable dedication, hard work, and eloquence, making their achievements truly commendable. I am sure you share our pride in their accomplishments. Congratulations to these talented young speakers for their outstanding public speaking skills!

## **2025 ENROLMENT NUMBERS**

A reminder to all parents that it is important that we have accurate enrolment numbers for the beginning of the 2025 school year. Having this information helps to ensure that classes are formed as quickly as possible when students return at the beginning of February. If your child is in Kindergarten to Year 5 and will be leaving the school or returning after **Thursday 6 February**, please inform the school by completing and returning the note that has been sent home.

## **PRESENTATION DAY**

This year's Presentation Day assembly will be held on Wednesday 11 December in the school hall. Further information will be sent home closer to the day.

## **KINDERGARTEN ORIENTATION**

The Kindergarten Orientation program for students starting at Smithfield West in 2025 concluded yesterday. With 36 children currently enrolled, I am excited to welcome our new students and their families in the new year. A heartfelt thank you to Mrs Georgilas, Mrs Angelin, and Mrs Bennett for their hard work and dedication in making this program such a success.

## **Preservice Teachers**

Over the past six weeks, we have had the pleasure of hosting six preservice teachers from the University of Western Sydney. During this time, they have actively contributed to our classrooms and supported our teachers in numerous events throughout the term. As they prepare to leave us, I would like to extend my heartfelt thanks for their hard work and dedication. We wish them every success as they take the next step in their teaching careers.
